3	Haha!
4	Of course I should have written: "What part was the fantasy? Just playing with a dominant woman?" BUT THAT'S NOW HOW I THINK Also I have now overshared and bored in the the same tweetset, so yay, I guess.
5	Outstanding. Just a lovely Pilsner. - Drinking The Company I Keep by @GreatRaftBeer @ Blackened Brew — http://untp.beer/s/c630703139
6	OH SHIT!? I'm almost at 100 followers thank you guys!!
7	Tuesday (h/t @BioDivLibrary)
8	Love the hat; it suits! Robe would do nicely for House of Lords (Ladies)! #bbcpm
9	Going to make gochujang turkey soon though
10	I'd love to see that damnd bridge go down

12	Thankful. #thankful #thanksgiving #happythanksgiving #parttimefanboy #periwinklepuSS
13	Exactly where I am right now.
14	Spiritual/psi gifts & bodily sacrifice in children: Trade-off between physical capacity & depth of spiritual gifts/insight? #ufosky The spellers of The Telepathy Tapes have an incapacitating disconnect with their bodies Children of Fatima (Vallee via @patternstellstories.com) were incapacitated
15	I'll like this picture every time I see it posted.
16	Shine is...bad at sitting #sootandshine #cats #catsofmastodon
17	Happy Thanksgiving everyone
18	And Brereton was handed the operational planning of OMG personally by BLM as he was overall commander of airborne forces, which Monty needed. After all, OMG was just a bigger scale plan to his previously designed Operation Comet. What is quite interesting is Browning's wife got involved after 1/2

20	i love you I LOVE YOU I LOOVE YOUU I LOOOOVVEEE YOUUUU
21	Happy Thanksgiving! Thankful for folks like you who have dedicated your lives to serving us.
22	Please follow my friend, Mary Hone. She is a wonderful person, amazing photographer and fights hard to protect our wild horses. Her photographs are my most prized possessions 🐾💕
23	Asian Americans — and all other POC — deserve better than this flat, bland, biased, unsophisticated stock image version of our history and identity. #WeNeedAsianAmericanStudies
24	Ok Avon High School, you can't wear Mondrian outfits and not do the Brady Bunch theme. #macysthanksgivingparade
25	They got a little buttermilk dab and went into the oven
26	Made that decision at the grocery store last night. All the same sides - Mormon funeral potatoes, stuffing, yams, green bean casserole, cranberry sauce, seven layer salad - but no damned turkey.
27	Local is exactly where Progressives and Leftists should be focusing our energies
28	we could've had it all 🐾 at least they have tails
29	Oil and water. A stark political contrast.
30	Not being able to have answers to frequent issues sucks. I hope they're able to find something soon so they can get you taken care of. 💕
31	SUPER EXCITED to share the new #LYGIA integration to #minecraft as mod or resourcepack thanks the incredible work of @jaredIII08. Happy modding folks.
32	Let's talk about starting a horizontal niche agency. That usually means specializing in a technology. For example, you could focus on email marketing. You don't care about the business type (vertical niche), you only care it's email. For example, see @ecomchasedimond
33	Dessert🍰 and what's the cake for?
34	Just because what I do to "make it work" is something that "wouldn't work for you", that doesn't meaning ANYTHING EXCEPT that it works FOR ME but it wouldn't work FOR YOU. . Normalize not allowing ppl to come along and 'wrong' your choices. If your goal is HAPPY & your choice got you that...ASE 💕
35	TLC: Hey 30 Rock, let me copy your homework. 30 ROCK: Fine, just change it so they don't notice.

36	Well, for what it's worth, I don't think Mercer has had a green dragon yet. So if that seems like an attractive gap to fill... 🐉
37	+100 RT @DBArgenis: So many #SQLSaturdays, so little money (and time!)
38	best of luck for your debut!! can we be friends??
39	Good one!
40	okay WE BACK!!! comfy co-existing happening now ☐
41	Same to you ma'am
42	Might as well, could be fun to try
43	I'm a lucky parent to have a 17-year-old who isn't embarrassed to go on a #StetWalk with his mom in broad daylight. Today's heat (86°F; 30°C) wilted me a bit, though.
44	Really @Synology? You need ADMIN rights and TELNET access to my NAS for troubleshooting my bug report? No thanks...I'll keep the bug.
45	I am learning to dread the springlike weather that hits in November, cause the incoming "wet leaves, mud, and death" weather hit harder. And it never happens slowly. It is always always, overnight on one random day.
46	Dude calling me Phillip Taylor all night. Hey his name is Jules Taylor. Jules Phillip Taylor that's a good name man. 🙄 Lol
47	Today I sent a kindergarten class a link to an ebook I made and asked them to check it for mistakes. And they found some! Really helps to have proofreaders.
48	I think this is exactly it. I couldn't put my finger on why they were still pissed.
49	Advice for people living in a failed state. And I don't just mean Texas.
50	Manifesting his bankruptcy arc soon
51	Happy Thanksgiving!

53	Correct! He is a child
54	You could also just use mods on ring racers but y'know... it's not the same
55	There are three endogenous variables: consumption, investment and exports. For the first two, the split between imports and domestical production is endogenous (as is the split between public and private). Once all this is determined, there is nothing left, not even a residual.
56	Hell yeah!!! 🙌
57	Very interesting table of Internet rights in Gurumurthy & Chami (2016) Internet governance as 'ideology in practice' ictlogy.net/bibliography/r...
58	I'm at The Varsity (1000 W Broad St, near Milledge Ave., Athens).
59	Do it Doug - we somehow just installed a confederacy of absolute fuckwits that deserve mockery and opposition at every turn, so game on!
60	It's about that time of year where a lot of trauma anniversaries happen. I'm aware of them. I'm working to lessen them. And I'm going to try and be mindful of where and why they are set off. So expect more painting and kitbashing as I try to claw joy back from my past.
61	No Horizon opponents to lose to this year
62	As nice as you expect me to be 😊
63	Yesterday's #3goodthings : It was T2's 22nd birthday! ; ordered cute new glasses & prescription shades ; Pete's first day of mtgs went well.
64	The one where @brettkollmann.bsky.social calls out Daddy Poles for doing fuckall about the Bears interior oline. Hell yes, glad to see the issue receive more attention. youtube.com/watch?v=g91l...
65	do you think marcille would also be a fujoshi
66	honestly, i can see the community taking the Commando model and editing it. i mean, they DID also just make the gun useable in a Reach mod
67	If repost, am I "re-skying" or "re-bluing"?

71	Great to hear @profsarahchilds speak at the @BWV2 International Women's Day celebration. Lots of applause for her plea for women to vote!
72	I'm wavering between cynical about the mardi gras company floats and optimistically thinking it's good to have companies loudly & proudly supportive
73	thank you @dsmann115 for speaking out for collective bargaining today! @CityOfCincy
74	Trump can never defeat true love!
75	I just looked up http://writeforme.org & this is blowing my mind right now... (it's used as a writing site for D/s, you can set

	tasks, have rules etc) But this dude... just... wtf? There's fetishes & there's *444 DAYS* worth of fetish (no idea over what timeframe but wtf?!!)
76	I'm just gonna see how long I can go without looking it up before one of these companies selling them makes it make sense lolol
77	One more night, one more night, till the morning
78	92.
79	Is this like Olive the other reindeer?

81	The New York Times now makes about 40% percent of its revenue from digital, and the path forward is clear and direct. http://www.niemanlab.org/2019/02/the-new-york-times-is-getting-close-to-becoming-a-majority-digital-company/?utm_medium=social&utm_source=twitter
82	Got an R&R this morning with *very* minor revisions (and lovely compliments) on a paper that was rejected at least 3 times previously. Keep trying - you just need to find the right home for that paper. Don't let rejections stop you. #AcademicChatter #AcademicTwitter
83	I think these are all momentous occurrences, and support for that idea comes from England & Wales, current holder of the "world's legal laboratory" title that seems about to pass into the hands of the American west.
84	Happy Thanksgiving. Grateful for these to and all the joy they have given me over the years and for all the connections and friends I've made because of our mutual love. Blessings to you all. Hold your loved ones extra tight, for we are not promised tomorrow. ❤️💖 #Jarlana #Days
85	#Bidens Thanksgiving msg vs #Trumps. Trump is a literal energy vampire. I cannot express how depressing it is that we are stuck listening to this constant negative bullshit for at least 4 more years. Utterly sickening.
86	Bluesky is much better than X. The name, audience, negativity and porn bots are everywhere in X. Bluesky is different, Elon ruined X. Hello bsky nation :DD
87	I've slept on The Last Kingdom. I can't believe I waited so long to watch. Although now I really want to play more Assassin's Creed: Valhalla.
88	GOP Promotes Carly Fiorina To Male Candidate After Strong Debate Showing http://www.theonion.com/r/51331 via @theonion
89	No spoilers but Wakanda Forever did have a really cool looking 3D bio-printer they were using...completely unique to anything I've seen in the real world, setup wise
90	If you benefited from a past policy (established under democrat btw) and now you voted to have it removed because you got what you wanted at the time, and the ones using it now are being considered illegal, makes you a real jag off.
91	Looking forward to the new films and the podcast! Happy belated anniversary and HAPPY THANKSGIVING! 🍁🇺🇸🍷

93	This is so cute what!!! The model is absolutely amazing 🤖 I'm in love with the rendering ☐☐
94	Let's be even more specific. We're talking about AMERICAN internet culture and America especially thrives on confrontation and violence. Look at little Mikey TV.
95	There's a reason why I don't usually say this. https://twitter.com/standardspeeds/status/1615839484997672962
96	My LIFX beam suddenly started falling off my Ubiquiti network in the last few days. Anyone else?
97	Done. Glad to see more politicians and news media migrating here.
98	also just a loser way to view art
99	Well, that's a good way to be taken off their list haha.
100	Just had another procedure on my hands, this time for trigger finger/contracture. The results are a blessing. Health care should be a basic human right, not tied to your employer.
