32	Very much still adoring #MsMarvel. Episode 2 slows things down a tad but continues to lay on the charm and dig a little deeper into Kamala's family and heritage, which I love it for (1/3)
33	PREFACE - I'm not the most well-versed in everything that's out there, but Ms. Marvel is my favorite comic character. Her 2014 run came at a pivotal point in my life. It looks like this series strips Kamala of what I really liked about her, so I may be negatively biased here.
34	Kamala Khan plays smash bros
35	S1E1 - Oh it's good!! The first part is better than the AvengersCon bit. A lot of the lines are straight out of the comics, but they're good lines so I'll give 'em that. I don't really have anything to say about the powers yet. Iman plays a great Kamala. Very, very fun!!
36	S1E2 - So... this Kamala is to the comics one like Andrew's Spidey is to the comics one. There's parts here of the original character, and lots of direct quotes from comics, but it's mainly an adaptation. I didn't recognize THAT guy, cool cameo! Sets, outfits, editing!! 🤩
37	S1E3 - IT'S GOOD!! Kamala's a really important character. This version of her wasn't made for me, but she's for a new generation of people that I think are in dire need of a show like this, that's really easy to see. On top of that, it's a solid show!! Great action this ep!!
38	They've added Kamala to the Marvel Studios intro! ♥️ #SheHulkAttorneyAtLaw

46	It's amazing to me that all the analyses and commentaries of @KamalaHarris's VP pick fail to mention one simple, obvious point: SHE WANTS TO WIN. she did not come to play.

86 Says this Endorses Kamala

87 Alienating leftists and pandering right is why Kamala lost but liberals aren't ready to have that conversation yet.

88 VP Kamala Harris and SG Doug Emhoff wish everyone a Happy Thanksgiving!! They seem happy indeed in each other's company. 🙏

89 Every Democrat... Every Kamala voter knew this. But noooo... we didn't know what we were talking about. Yeah... WE FUCKING DID.

90 Tulsi Gabbard?? 🤔 No. Kamala was the right woman for millions and millions of us

91 Don't get me wrong, it's ludicrous she lost to the Orange con. My point (I think, I'd have to read back) was that all the people that refused to vote for her were the same that refused to vote for Kamala. And here we are. Again.

92 Biden and Kamala worked very to obtain a cease fire. The cease fire was established while they were in office. It is up to us to remember it is Biden's achievement.

93 I think the biggest lie about this election is how everyone is blaming the failure of the Kamala campaign while fully ignoring how powerful the Rightwing Media Machine really is. How its messaging creeps into almost every avenue of information that people absorb. This is the real problem.

94 so the democrat with the SKS and hose clamped scope that was seen at Kamala rallies wasnt a democrat? keep dreaming dumbass.

95 I would've gave Kamala all my coins back in the day

96 The fact that Kamala's entire team knew she was losing since Biden stepped down and she never substantially changed policies means the accusations of the Democrats being controlled opposition is highly plausible

97 We could've had decency but instead we will have chaos. I'm so not ready for this. I'm going to miss Kamala like crazy.

98 Will you follow me? I'm a Kamala fighter/supporter.

99 We can't even say "Kamala Harris's campaign bungled it" because the macroeconomic conditions seem to have been massively unfavorable for incumbent parties globally! For all we know Harris's campaign is the reason this trifecta was narrow and not a complete blowout!

100 Tulsi would've smooooooked Kamala. Tulsi ruined Kamala's whole candidacy in one debate in 2020. You think Kamala was the right woman because the media pumped that into your head for months even though they knew she was very unlikeable

It's basically Gauntlet, but absolutely GORGEOUS with great voice acting and you get to be Kamala Khan and embiggen and beat up giant robots. #ref https://amzn.to/3s0hq1v	0.355	0	0.645	0.98
29	Ugh. If they turn #MsMarvel into a purple lantern I'm gonna be pissed. Kamala is my favorite character. I read every comic to my kids as they went to sleep. If she doesn't embiggen and turns into a magic using light power bracelet wearer it's gonna make ZERO sense Feige! https://t.co/jweo8RF36R	0.054	0.132	0.814	-0.6476
30	With a few days to let it soak in PLUS watching #ImanVellani on talk shows on TikTok, I'm loving #MsMarvel even more than I did before. She's such a dork! She's like us! She loves Marvel! She knows all the little details. She is Kamala Khan! #recommended	0.254	0.043	0.703	0.913
31	#MsMarvel Ep2 was even better than the last! I'm sold. #ImanVellani is SO much Kamala Khan	0.175	0	0.825	0.4926
32	Very much still adoring #MsMarvel. Episode 2 slows things down a tad but continues to lay on the charm and dig a little deeper into Kamala's family and heritage, which I love it for (1/3)	0.296	0	0.704	0.915
33	PREFACE - I'm not the most well-versed in everything that's out there, but Ms. Marvel is my favorite comic character. Her 2014 run came at a pivotal point in my life. It looks like this series strips Kamala of what I really liked about her, so I may be negatively biased here.	0.248	0.044	0.708	0.9252
34	Kamala Khan plays smash bros	0.333	0	0.667	0.25
35	S1E1 - Oh it's good!! The first part is better than the AvengersCon bit. A lot of the lines are straight out of the comics, but they're good lines so I'll give 'em that. I don't really have anything to say about the powers yet. Iman plays a great Kamala. Very, very fun!!	0.362	0	0.638	0.9745
36	S1E2 - So... this Kamala is to the comics one like Andrew's Spidey is to the comics one. There's parts here of the original character, and lots of direct quotes from comics, but it's mainly an adaptation. I didn't recognize THAT guy, cool cameo! Sets, outfits, editing!! 🤩	0.147	0	0.853	0.7372
37	S1E3 - IT'S GOOD!! Kamala's a really important character. This version of her wasn't made for me, but she's for a new generation of people that I think are in dire need of a show like this, that's really easy to see. On top of that, it's a solid show!! Great action this ep!!	0.337	0.06	0.603	0.954
